Dear Mr Bhurji

**Re: Reference**

I can confirm that I was present throughout the mediation you conducted between  
and Case No , undertaken at Birmingham Civil Justice Centre on the 8<sup>th</sup>  
September 2005.

The case concerned was a breach of contract claim made by which had been ongoing for  
over a year prior to the mediation being arranged. The sum claimed, £22,000.00, was disputed and Scott  
Schedules had been prepared and exchanged by both parties setting out the evidence of each party in  
relation to a large number of outstanding invoices.

My clients had not previously been involved in a mediation and my clients and I, found you to be competent,  
friendly and professional throughout the whole process. They were delighted how quickly you were able to  
facilitate a satisfactory settlement, bearing in mind the significant amount of evidence that each party had put  
forward and the length of time our dispute had gone on.

I would have no hesitation in using the Court based mediation service again and I was grateful for the way you  
facilitated the whole settlement process and your subsequent preparation of the Consent Order in the days  
following the mediation.

Yours sincerely
