Dear Mr Bhurji

Many thanks for your letter of 2<sup>nd</sup> June 2008. I was very pleased by your assistance in this matter having received a report back from Louise Campbell-Brown who was equally as complimentary. In fact I have recommended your services to at least two other commercial dispute clients and I may revert to you in respect thereof shortly.

I have passed a copy of your letter to Miss Campbell-Brown and asked her whether or not she will be prepared to offer a reference.

Yours sincerely
