Dear Harvinder

**Mediation:**

Thank you for your services in assisting with the matter for Limited.

Perhaps you could add the following reference on behalf of Eversheds LLP:-

"Harvinder's quiet but determined approach was the difference between the case settling or proceeding to a litigious end. This was a classic example of how to mediate a dispute".

I attach a cheque in respect of your fees and I would be grateful if you could confirm safe receipt of the same.

Kind regards

Yours sincerely
