Dear Mr. Bhurji

I write with reference to the mediation which you recently conducted in relation to the above case. The matter involved a neighbour dispute regarding renovation works completed by my client which had allegedly caused serious damage and loss to the neighbouring property owned by the Claimant.

This dispute had been ongoing for a considerable period of time and both the Claimant and Defendant had become entrenched and were no longer even on speaking terms. Through your assistance we were able to reach a compromise with which both parties were happy and were finally able to put this matter behind them. The costs which you have undoubtedly saved both parties, in addition to the time and inconvenience, cannot be underestimated.

I am most grateful for your involvement in this matter which I found to be extremely skilful and professional throughout. My client was very impressed with both your attitude and manner during the whole process. Without your assistance I am confident that we would not have been able to reach settlement.

I would heartily recommend your services to others considering mediation.

Yours sincerely
