Dear Harvinder

With regards to the recent mediation you conducted between CHBC Architects and one of our clients, I wish to thank you for your assistance.

The dispute was a breach of contract which had been going on now for a considerable period of time, resulting in a claim for approximately £6,000.00.

Both my colleague and I, found you to be competent, friendly and professional throughout the whole process, we were delighted how quickly you were able to facilitate a satisfactory settlement, bearing in mind the position the defendant initially took.

Thank you once again; I would not hesitate to recommend you.

Yours sincerely
